Spring term in full swing

It has been lovely to walk around school the last few weeks, as the Spring term is rushing by. We have had some of my favourite school events in recent weeks, including World Book Day and the IHJS Poetry competition. The effort that went into both of those events from children, families and teachers was really great to see.

It has also been fantastic to see Year 6 working really hard. Last week they sat their “mock SATs” week, giving them an opportunity to experience what their test week will be like in May and giving the staff an opportunity to practice the organisation of the tests. Year 6 have worked really hard and it has been good to see parents attending the after-school drop-ins on Tuesday evenings, allowing Y6 parents the chance to support their children with crucial revision.

In Year 5, they have been rehearsing

hard for their Spring Production. The backdrop and stage are almost in place and the children are performing fantastically well in their final rehearsals ahead of next week’s shows. Please remember to purchase your tickets on www.schoolmoney.co.uk. I am looking forward to seeing the finished performance!

Kind regards,

Mr Lloyd

Sainsbury’s Active Kids vouchers

Once again, Sainsbury’s are running their fantastic Active Kids voucher scheme.

This is where you receive a voucher for every £10 spent, which can be donated to a local sports club or school.

These vouchers provide our school with valuable resources each year and have been used to purchase PE equipment, playtime equipment or materials for healthy eating lessons in the past few years.

We have a “postbox” next to the main reception area in which these vouchers can be delivered. Please note that the vouchers can sometimes look like the orange Sainsbury’s receipts and are not always the purple and blue voucher that we have come to expect, so look out for them if you’re a regular Sainsbury’s shopper!

House Points

House Points are an excellent way of celebrating achievement across the school. They can be earned for good work, excellent behaviour, or even as a reward for completing homework or reading at home.

I'm pleased to announce the house point totals for this week:

Cherry: 766 points
Pine: 696 points
Oak: 520 points
Beech: 463 points

Congratulations to Cherry House!

Punctuality Counts

Please make sure that your children arrive in school on time. The gates are open from 8:35am each morning.

Stars of the Week

Each week, teachers choose one child from their class to receive the Star of the Week award, for exceptional work throughout the week. This week's winners are:

3ST: Ahsan
3JT: Marley
4P: India
4G: Megan
5TZ: Reece
5R: Nemia
6A: Sophie
6J: Aidan
