

Community Cohesion

Community Cohesion Update – Back to school Autumn 2025

Welcome back to our Community Cohesion update our first for the Autumn term.

During the last school year, we introduced this new way of sharing community news and it was received well. This year we will continue to bring you as much local news as we can. If you wish to contribute in any way to this update, please do let us know.

Thank you for supporting our PTA, as you know without the PTA we wouldn't have access to the necessary funds for our playground refresh, and this year we will continue to bring colour to our playground and some more much needed play equipment. With this in mind, please save any unwanted items such as clothing, shoes etc and you can put them in our big blue collection bin on the playground. By doing so you are helping us to raise school funds for the school PTA.

Please also remember to look at our Community Wall with updates of "what's happening in our community", you will find this in the Learning Lab window facing the playground next Year4.

Mrs Monger – Community Cohesion
