

Community Cohesion

Community Cohesion Update September 2024

Welcome back to everyone in our school community, children, parents and all.

As you will know our Harvest Festival assembly is fast approaching and like we have in previous years we are kindly asking for foodbank donations. From **w/c 23rd September** there will be a drop off point in our reception area as well as in classrooms. Please see below is a list of items often in desperate need at a foodbanks. We thank you in advance for your kind donations.

Secondly, we have been very fortunate over the last school year to have received regular donations of breads, pastries and much more from The Excess Food Rescue Team. This is a team of volunteers who collect from local stores or from Deborah O’Sullivan in Swallow Street, Iver Heath.

However, for these donations to continue Deborah needs a couple of IHJS community volunteers – these can be parents, carers any community members and it can be just once or twice a week, but you will need a car. By our school receiving and sharing these donations we have contributed to saving over 500 tons of food each year going into the landfill.

We have often watched the children at the end of the day tucking in, having fruit, bread sometimes cakes and the joy when they see the food boxes is heart-warming.

If this is something you’re are interested in please contact the school office or myself (Mrs Monger) for contact details.
