Community Cohesion Update October 2024

Welcome to our Community Cohesion update #2

Firstly, we'd like to start with how overwhelmed we are by your generous donations for our Harvest Festival assembly, its fast approaching and we have identified **The Ivers Hive** as the beneficiary this year. The Ivers Hive do amazing activities for families in our community all year round, as well as reaching out and supporting those within our community who may just need that little bit of extra help, so please do continue to donate if you can.

We mentioned in our last update that we have been very fortunate over the last school year to have received regular donations of breads, pastries and much more from The Excess Food Rescue Team. Deborah is still looking for volunteers, just once or twice a week, so please if you can spare a little time for this enormous project then please contact the school office for further details. In the meantime, you can find Excess Food donations in the Iver Heath Library opposite our school.

With our community always close to our hearts, we have teamed up with **Iver Villages Together** – a team of people who represent all of our villages Iver Heath, Iver Village and Richings Park. Their vision is to “Create a greener, healthier neighbourhood with small and inspiring projects that together have a **BIG** impact on the wellbeing and attitudes in our community”. If you follow their social media, you will of course know their Grab a Grow Box was a huge success. Watch out for exciting things to come from the team.

Lastly, with volunteering in mind do you have any spare time? Does your workplace allow you and your team to have a volunteering day or do they do corporate match funding? If yes, then we would love to hear from you! We have lots of areas within our school such as the gazebo that needs a little bit of tlc, benches that could do with a spruce up and even switching a room around for the beneficial use for our children.

Please pop into the school office if you can help!
