

# Community Cohesion

## Community Cohesion Update October 2024

Welcome to our Community Cohesion update #3

As we mentioned in our last Cohesion update, we have teamed up with **Iver Villages Together** – a team within the community who represent all of our villages Iver Heath, Iver Village and Richings Park. Their vision is to “Create a greener, healthier neighbourhood with small and inspiring projects that together have a **BIG** impact on the wellbeing and attitudes in our community. As you may now know their “**Grab a Grow Box**” earlier in the summer was a huge success. Following the launch of our newly appointed School Council team, they have asked that they lead the autumn project “**Green Art Boxes**”. Once the boxes are put together then they are given out to the community – 5 in each village.

**What would we like from you? Any arts, craft items, nearly new, slightly used would be perfect, or new if you choose to do so.** If you would like to purchase new, perhaps “keep it local” and pop into The Works at Iver Flowerland.

Here are some examples - colouring books new or partly used, crayons, pencils, paper, sharpeners etc. Below is a photo of what the boxes could look like.

Lastly, volunteers - **WE STILL NEED YOU!** Does your workplace allow you and your team to have a volunteering day or do they do corporate match funding? If yes, then we would love to hear from you! We have lots of areas within our school such as the gazebo that needs a little bit of tlc, benches that could do with a spruce up and even switching a room around for the beneficial use for our children. Please pop into the school office for more details.

**We are ACHIEVERS!**

**We are a COMMUNITY!**

**We are PROUD!**

**We are INCLUSIVE!**
