

# Community Cohesion

## Community Cohesion Update October 2024

Welcome to our Community Cohesion update #4

As we mentioned in our last Cohesion update, following the **AMAZING** presentations from our newly appointed School Council team we received some wonderful donations of art items for our project “**Green Art Boxes**”. Throughout the half term break, the team and myself will start to put together however, we will still be collecting items in the run up to Christmas to create some lovely Christmas boxes.

Here are some examples - colouring books new or partly used, crayons, pencils, paper, sharpeners etc. Below is a photo of what the boxes could look like. If you would like to purchase new, perhaps “keep it local” and pop into The Works at Iver Flowerland.

A **HUGE** thank you to families and pupils past for your kind donations of reading books. We regularly refresh our library which includes our free read and reading schemes areas, and these donations are always welcome.

As we continue to strengthen our community relations and this week we visited Bodley House our neighbours just in Trewarden. They look forward to exciting activities in the future such as a visit from our school choir in the run up to Christmas.

Lastly, see attached a couple of community events throughout the half term that you maybe interested in going along to.

**We are *ACHIEVERS!***

**We are a *COMMUNITY!***

**We are *PROUD!***

**We are *INCLUSIVE!***
