## Community Cohesion Update November 2024

Welcome to our Community Cohesion update #6

Again, a huge thank you to all of our families who have kindly donated to our project “Green Art Boxes”. We are still collecting crafty items; our School Council reps are still running with this initiative, so now is the time to donate if you are having that big pre-Christmas clear out! Families within our school community will be nominated and their names will be put in to a hat and drawn nearer to Christmas.

We very excited to announce that we are taking part in this years Light up the Ivers Advent Windows and our switch on will be 10<sup>th</sup> December. Watch out for our Art clubs winning window that we will transfer onto Mr Ali’s classroom window.

With Christmas in mind, we know that there’s lots going on in our community. We’ve added a few activities onto our community wall that our families may enjoy doing and you will find this wall on our window in the playground. Please do have a look at some of the fun things going on over the next few weeks.

Lastly, a reminder that you can now drop off unwanted clothing, shoes etc to our collection bin and by doing so you are helping to raise school funds for the school PTA. Please remember to put the clothes that you drop off in bags. You will find this in our playground by the bicycle stands ☺
