Community Cohesion Update January 2025

Welcome back and welcome to our Community Cohesion update #7

Our school has been buzzing since returning after the Christmas break and we cannot believe that we are almost into February.

As you will remember, we joined forces with Iver Villages Together and collected items for our Green Art Boxes. All of the wonderful donations found new homes and were gratefully received which brought enjoyment over the Christmas holidays.

On behalf of the Iver Villages Together -thank you once again for your donations.

There's still plenty going on in our community, from The School of Rock production this weekend, and the build up to the Iver Heath Drama Club panto. Both events star some of our very own IHJS children, let's show our support and make both events a sell out! Ticket details are below.

Do you need a bag repairing or does your laptop have a glitch? Yes? Then pop along to the Repair Café where someone will be able to help you fix it. Here's the link for more information.

Lastly, a reminder that you can now drop off any unwanted items such as clothing, shoes etc to our big blue collection bin on the playground. By doing so you are helping us to raise school funds for the school PTA. Please remember to put the clothes that you drop off in bags. You will find this in our playground by the bicycle stands ☺
