Community Cohesion Update End of Summer July 2025

Welcome to our Community Cohesion update 14 and the last communication of the term from myself Community Cohesion lead!

Over the last few months we have shared community news and last week I was invited to go along to Twinkle Together. They are just one of the many groups that welcome community members to join them. Ami has extended the invite to all over summer, so if you find yourselves wanting to get out of the house, then pop along to the Iver Heath Bowling Club but remember to take a mug with you ☺

We do have a few of the activities going on in our community over summer below.

Have a fantastic summer, and thank you for contributing to our community news.
