

A vibrant field of red poppies in full bloom, set against a bright blue sky filled with fluffy white clouds. The flowers are densely packed and stretch across the foreground and middle ground, creating a rich, textured appearance. The sky is a deep, clear blue, with the white clouds scattered throughout, adding depth and contrast to the scene.

# REMEMBRANCE 2025

- We went out to see the world war one truck and we loved it. This is the only one of its kind left in the world se we are so lucky to have seen it. We learnt why remembrance day is so important, we also learnt why we take a 2 minuet silence as well as, the whole school took part in this.
