Thank you to Flowerland.

Once again, we say a huge Thank You to Flowerland for the gift of our beautiful Christmas tree. They never fail to provide us with the very best and we are grateful to them for their generosity. I'm sure that you all agree that it looks splendid with the blue and gold decorations and the lights twinkling away.

Thank you to Karen Hopkins for organising this for us, again!

We are having another Book Swap on Thursday 4th December. The lovely ladies of the South Bucks Children's Book group are holding this event, which is always so well attended, at 3.15pm in the school hall. Children may bring up to 10 books to swap. They will receive a token to use to choose another book. Alternately, they may purchase tokens for 50p each and use these to choose books.

Bus and club children will be able to swap their books at 3pm.

A polite reminder from the school office: With the government's focus on school attendance, please ensure that you provide proof of your child's medical / dental / optical appointments so that the absence can be authorised as per our policy. We do understand that this is not always possible for those emergency appointments that are sometimes needed. However, for pre-planned appointments, please show proof to the school office when you let them know the arrangements that are needed to fulfil your appointments.

Next week is Learning Review Week. During this week, the children will be assessed for their understanding and use of the learning that they have covered over the past term in reading, maths, science and writing. Reading, maths and science will be assessed using papers and writing, as always, is teacher assessed using evidence from the writing they have completed during the term. The assessments will be moderated and used to determine gaps in children's learning that will be addressed during future lessons. A letter will be sent home on Friday 19th December with the results. As children perform better in a group with other learners, please try to keep appointments or reasons for absence to a minimum during the week or they will have to complete their assessments on their own. Thank you!

Please read the next page for some important details regarding our Christmas events.

Please visit School Money to pay just £1 for the school pantomime.

A reminder to all parents about our Christmas performances.

We will be giving two whole-school Christmas performances this year. However, we do not have the space to be able to facilitate all parents at the same time. We are therefore, putting on two performances; one to parents of children in years 3 & 4, which will include readers from years 3 & 4.

The second to parents of children in years 5 & 6, which will include readers from years 5 & 6.

If you have children in both 3/4 and 5/6, please could you come to the first performance for years 3/4 as we will have more seats available for a better view.

Parents of children in yrs 3&4: Thurs 18th December 10am

Parents of children in yrs 5&6: Fri 19th December 10am
