## Newsletter

What a brilliant way to enthuse our young readers in this National Year of Reading!

Thank you so very much to the whole-school community for your generosity and special thanks to our amazing PTA for organising this incredible event.

The children had the BEST time rapping about reading. The message was loud and clear from MC Grammar: reading is KEY and FUN!

On Wednesday, 5I taught us all about sustainability through the most informative and well-presented assembly. They encouraged us all to Reuse, Reduce & Recycle and told us why.

It was a truly amazing assembly. Well-Done 5I;

## We Are Readers!

To encourage us throughout this National Year of Reading, we are adding a section to our weekly newsletter where we will share books that we are reading or books that we have read and would like to recommend to you. We may, from time-to-time give a review but we starting off with photographs of two avid readers in our school community and books that they have enjoyed.
