What a remarkable situation we find ourselves in!

Firstly, I do understand that there are many families who are eager to know who our new House Captains will be. I do realise that this sounds unconventional, but I am so very very proud to tell you that I cannot tell you. The standard of presentations was so incredible this year and the voting so very close that we will need a staff meeting to decide on the winners. In each of our houses, there were at least two candidates who got the same amount of votes; this has never happened at Iver Heath. Traditionally, the staff in each house get to vote alongside the children. However, with a draw in each house, we have decided to open the voting further to the whole staff. Each member of staff will know each candidate, either from previously teaching them or from seeing them in the playground at breaktimes or lunchtimes, assemblies and many other times when the whole-school is together. So this year, every member of staff will be included in the final vote. Massive congratulations go out to each and every candidate; we are so very proud of you all.

Huge CONGRATULATIONS to class 5H, who have achieved 100% attendance.

Parents of children in 5H, look out for a notice in their homework diaries for when they will be having their mufti day.

Clubs

Thanks to our dedicated staff, who are willing to share their wonderful talents, after-school clubs have always featured in our school offer. This year, we are offering a wider range of clubs than ever before. One of our new clubs is Mr. Olney's Gardening and Eco club held on a Tuesday. As you can see from this photograph, it is very popular; even the big boys got involved! Who knew Coach Noyce had green fingers!! We would like to thank the Wild family for their generous gift of bags of compost and cyclamen plants—watch out for photographs of these when they have been planted.

We still have spaces in the following clubs if your child is interested and we can offer a pro-rata rate if joining mid term:

Monday: Multi-Sports. Tuesday: Music and Netball. Friday: Bat & Ball. These can be booked through School Money. Friday—The Creation Station can be booked via lisaandrews@thecreationstation.co.uk

Harvest Festival

This year, we have been welcomed back to St, Margaret's church to celebrate Harvest Festival on Monday 6th October. As we have done in previous years, we will walk the whole-school over to the church to join Father Thomas, who will lead our celebrations. Unfortunately, there is no space in the church for any parents or family members. We are currently collecting Harvest donations, which will be going to a local charity after our service. Please ensure that your child has a coat on this day.

🔦 Spotlight on The Creation Station

Lisa Andrews is living proof that it's never too late to follow your passion. After working as a school business manager for 20 years, she was ready for a new challenge, one that combined her organisational skills with her love of creativity. That path led her to The Creation Station, where she now runs her own successful franchise.

Lisa's workshops bring creativity to people of all ages, from messy play for toddlers to craft clubs for children, from creative parties for all ages to creative wellbeing sessions for adults. Her sessions are more than just fun activities, they're opportunities for confidence, connection, and imagination to shine.

It didn't take long for her dedication to be recognised. In 2024, Lisa was awarded Best New Franchisee of the Year at The Creation Station's National Awards, a testament to her passion and the positive impact she's making in her community.

But Lisa's influence goes beyond her own business. She also plays an important role in supporting other franchisees across the network, offering guidance and encouragement to help them thrive. Her generosity, warmth, and practical advice embody the collaborative spirit of The Creation Station.

For Lisa, creativity is for everyone, and she loves nothing more than seeing people's faces light up as they discover what they can create. With her dedication and passion, Lisa is helping to inspire imagination and make creativity a joyful part of everyday life.

If you would like your child to discover and develop their imagination and creativity and would love for them to try out the Create Club at Iver Heath Junior School, please contact lisaandrews@thecreationstation.co.uk to book a trial session.
