

Iver Heath Junior School

Newsletter

Dear Parents and Carers,

We have officially completed our first full week, which has been an absolute privilege. The pupils have settled into their new routines, classrooms and overall school life really quickly. I have been incredibly impressed by their positive attitudes as well as their incredible manners around the school site. I am definitely getting to know everyone and I am challenging myself to learn all pupils' names by Christmas!

This week in assembly we focused on our value 'we are achievers' and the theory of multiple intelligences, including all the different ways in which we can be smart. We explored emotional intelligence and how we can understand each others' feelings as well as being 'body smart' in terms of physical activity and health.

Morning routines

Just a reminder that **school gates open at 8:35am** and **registration begins promptly at 8:45am**. Thank you for helping us start learning on time.

Our School Community

As we start the new year, we are speaking with pupils about our core values, including kindness, respect and being inclusive. This includes how we treat each other both in school and out in the wider community. We want to ensure all pupils feel safe and happy, whether they are playing on the school field or meeting up with friends outside of school. We would be incredibly grateful if you could reinforce this message at home by talking to your children about the importance of safe, respectful play and positive interactions.

Well done to all the Year 6 pupils who completed the Secondary Transfer Tests this week.

Wishing all of our families a very enjoyable weekend and we look forward to seeing you again next week.

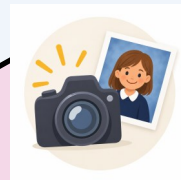

Best Wishes,

Mrs Shingadia

We look forward to seeing you at the Welcome Meetings next week.

Eco-News

Small daily things can make a BIG difference!

Eco-Committee Update: Thank you to all the children who have applied to become part of our **eco-committee**. After carefully considering all the applications, the committee and the day that the meetings will be held on will be announced next Thursday, with meetings starting the following week. **It has been encouraging to see that so many children are keen to help our environment.**

Watch this space: We are in the process of setting up an **online second hand uniform shop**, through Uniformd. If you have any **Iver Heath Junior School Uniform or PE Kit**, that is still in **wearable condition**, please could you hand it into the office so that we can add it to our stock. The money raised from sales will all go into the school fund to be used towards eco-activities/projects that will benefit the children in school. This fits well into our eco-school plans because it is a way of **recycling and reduces waste**.

More details and a link to the shop coming your way soon.

As always, please send any photos to eco@iverheath-jun.bucks.sch.uk so they can be included in future newsletters. **Also, if you have any ideas or can support in any way with our eco-ideas then please get in touch on the same email address.**

Thank you,

Mrs de Charmant, Sustainability Lead.
