Dear Parents and Carers,

We are a Community - We have really enjoyed celebrating what it means to be part of a community this week through our assemblies, Harvest celebrations and Autumn Disco. During assembly, we reflected on our shared responsibility to help make our community a safe, kind and positive place for everyone. We explored the big feelings and emotions we all experience, such as sadness and anger. We discussed these feelings are a normal part of life, but how we choose to respond to them is what really matters. Learning to manage our emotions and make positive choices helps us to build strong relationships.

Harvest Celebrations - Thank you for your generous harvest donations, which has now been donated to a local food bank. We also had a wonderful visit to the church on Tuesday. Following the service, some of the church wardens visited school and were keen to share their praise for the remarkable attitudes and behaviour of our pupils. The readings were very meaningful, and Father Stuart was particularly pleased to see pupils putting the kneelers away without being asked - something he shared he had not witnessed in many years! We are very proud of our pupils for demonstrating such thoughtfulness, respect and consideration.

Autumn Disco - It was fantastic to see so many of pupils enjoying our disco yesterday evening. The costumes and outfits looked brilliant, and it was wonderful to see everyone dancing, having fun and enjoying themselves. Thank you to all staff and parents who volunteered to help, and also to the PTA Support Squad for organising such a wonderful event for our school community.

Have a lovely weekend.
Best Wishes,

Mrs Shingadia

Eco-News

Small daily things can make a BIG difference!

The eco-committee have been busy this week, tracking how all the children got to school. **Our aim is for 70% active travel.**

Here are this week's results. Well done everyone!! It's great to see so many bikes and scooters on the rack each morning and hearing that several of the children are choosing to park a bit further away to park & stride.

ACTIVE JOURNEYS TAKEN

430 = 71%

The pupils have also been hard at work sorting out our **pre-loved uniform** so that we can set up our '**pre-loved**' online shop through Uniformd. Watch this space— it should be up and running soon. A chance for you to buy good quality uniform at a fraction of the price, help reduce waste and help to support school funds for our eco-projects.

As always, please send any photos to eco@iverheath-jun.bucks.sch.uk so they can be included in future newsletters. **Also, if you have any ideas or can support in any way with our eco-ideas then please get in touch on the same email address.**

Thank you,

Mrs de Charmant, Sustainability Lead.
