### What a busy week we have had!!

On Tuesday, our wonderful PTA organised a Soccer Challenge fundraising event. The children, and some of the staff, had a great time and we raised a whopping £1764.50 to boot (if you'll pardon my pun!). Thank you so much to our PTA, especially to Laura Bryant, for organising this incredible event. Huge thanks to our coaches for organising and facilitating this event in school. But the greatest thanks go out to all family and friends who sponsored our children so generously; you are amazing. You can see the fantastic pictures taken throughout the day on our school website. Just go to the Parents heading at the top of the home page and select PTA from the dropdown menu.

On Tuesday we learned all about blood from 6I in their fact-filled assembly. We learned the job it does in our body, how it does that important job and how to be healthy to keep it pumping—we were all told! It was amazing. Thank you 6I for explaining all of this important learning in such a creative manner! There is a presentation of photographs in the class 6I page on the school website.

Thursday saw year 3 making bug hotels with all sorts of materials, some of which were even suitable! They had a great time thinking about how a bug might be cosy, what type of space they might thrive in and what would be a good, stable structure. They will be putting them into the Junior Jungle area today — let's see which ones are inhabited first! More photographs are available to see in the class pages on the school website.

We stood in solidarity with the charity Show Racism the Red Card by wearing **RED** and discussing the effects of racism on our society.

To see so many more photographs of our day, go to the **Values** section of our school website.
